Network Nursing Agency - Continence Nurse Specialist/Advisor

Network Nursing Agency are seeking a Continence Nurse Specialist/Advisor to work on a casual basis assessing and supporting NDIS participants. The role would be based around your availability, no contracted hours, therefore flexible around child care or other commitments.

Location: NSW all areas considered

Role:

- Specialist Continence Assessments for the NDIS
- Paediatric and adult assessments
- Education and teaching on products and infection control to participants, nurses and carers

Contact:

Ellen Banks

Community Nurse Manager
